## NEVADA BOARD OF PAROLE COMMISSIONERS

To: Victims of Crime in Nevada and Other Interested Persons

From: Dorla M. Salling, Chairman

Subject: Notification of Hearings

The Nevada Board of Parole Commissioners welcomes the views of victims of crime and other interested persons as it endeavors to make fair and responsible decisions when convicted offenders become eligible for parole consideration.

Victims of crime are defined as those against whom the offense was committed, a person, including a governmental entity, against whom a crime has been committed; a person who has been injured or killed as a direct result of the commission of the crime, or a relative of a person described above. A relative of a person includes: A spouse, parent, grandparent or stepparent; a natural child, step-child or adopted child; a grandchild, brother, sister, half-brother or half-sister; or a parent of a spouse.

All persons, victims or other interested persons may attend parole board hearings, submit documents to the Board, or make an appointment with one or more commissioners in either Carson City or Las Vegas prior to a hearing. Additionally, the Board does honor any proxy that a victim wishes to set up. This is done especially when victims are out of the State of Nevada and cannot attend, or they simply want someone else to speak for them.

Please be assured if you elect to fill out the attached form, communicate with the Board by letter or met with the Board in private, your communication will be kept confidential as provided in Nevada statutes. Please feel free to contact either office if you have any questions.

**To receive notice of parole hearings you must provide a current address to the Parole Board. Failure to keep the Board advised of your current mailing address may result in you not being notified.**
